

H-PEC Summer Workshop:

Cross-Curricular Connections in Physical Education

Join us as we explore how to use an integrative approach to maximize student learning and link physical education content with other disciplines. We'll discuss the benefits and types of integration and share activities you can use with your own students. Time will be provided to determine how best to make cross-curricular connections within your own programs.

When

Saturday, June 15, 2019
8:00 am to 3:00 pm

Where

Amador Valley High School
1155 Santa Rita Rd.
Pleasanton, CA
