

H-PEC Winter Workshop:

Social-Emotional Learning in Physical Education (Part II)

Physical education provides an opportune setting for promoting social-emotional learning. Join us as we explore how to intentionally integrate the learning of SEL competencies such as self-awareness, managing emotions, building positive relationships and healthy decision making into instruction. Time will be provided to determine how best to implement what's been shared into your own program.

**Part I attendance not required.*

When

Saturday, January 26th, 2019
8:00 am to 3:00 pm

Where

Amador Valley High School
1155 Santa Rita Rd.
